#### Analyses Requested

Sample #	Sample Matix	Sample Identification	SCIRA	C4 Sugars	HPLC	Other
		Page      of				

See website for complete list of current analyses available

SCIRA = Stable Carbon Isotope Ratio Analysis

Moisture = Water Content

"C4 Sugars" in honey = AOAC 998.12 (i.e. Honey + Protein)

Color = USDA Color

HPLC = Sugar profile analysis, includes Fructose, Glucose, Sucrose + other di & tri-saccharides.

Contact Siratech, Inc. for additional information about Targeted Pesticide Analysis or Targeted Antibiotic Analysis.

#### Laboratory Use Only
